This cemetery is located on Whitfield Road, Section 8, of Fox Township, Kendall County, Illinois. From the intersection of Routes 34 and 71, follow Route 71 southwest to Millbrook Road. Turn right onto Millbrook Road, left onto Fox River Road, and then right onto Whitfield Road, crossing the Fox River. This cemetery sits high on a bluff on the left side of the road, overlooking the river. Access is available via a rutted dirt road further up the road. Approximate distance from the Oswego intersection is 16.9 miles.

Sacred Bluff or Darnell Cemetery, as it is also known, was recorded on May 5, 1985, by Evelyn Aird, Kim Mathena, Mickie Meegan, James Peterson and Sharon Peterson, members of the Kendall County Genealogical Society. The cemetery is a small one and was read from Whitfield Road west and from south to north. The map shows the cemetery as it appeared in May 1985.

The following information is a transcription of genealogical data from stones in this cemetery. Anything underlined is information the copier was not sure about. We have read these stones to the best of our abilities. The stones are very old; some are broken and worn away with age. There may be errors, but we have recorded them as we felt they read.
