CEMETERY

This cemetery is located approximately 3 miles east of Oswego, Illinois. At the intersections of Route 71 and 34 take Wolf's Crossing Road east approximately three miles. Turn right on Roth Road, the cemetery is located one mile down this road on the West side.

This cemetery was recorded on Aug. 18, 1984 by Delores Nelson, Mickie Meegan, Sharon and "Pete" Peterson, members of the Oswego Roots Genealogical Society. It was divided into three blocks and was read from South to North. Blocks are arranged only for ease in reading stones, not necessarily in the order that the land was obtained.----------represents imaginary lines used to divide area into blocks. The attached map shows the cemetery as it appeared in August, 1984.

The following information is a transcription of genealogical data from stones in this cemetery. Anything underlined is information the copier was not sure about. We have read these stones to the best of our abilities. The stones are very old and some are broken and worn away with age. There may be errors, but we recorded them as we felt they read.
